Re: FANTASTIC JOB!!!

Scott-

I just wanted to take a moment to thank you, your project manager, and your crew for a terrific job on my house. I really appreciate the careful attention to detail, and that everything was completely cleaned up each day. Our house looks brand new, and the D5 siding makes a huge difference in the appearance: the proportions are much better relative to the size of the house. I'm also very happy with the PVC trim, and now will not have to have wood repairs every few years.

Thanks again,

Roy Maizel
