

To whom it may concern,

My name is Brian D Foster, outside sales representative for ABC Supply Co. Inc. in Manassas, VA I have personally dealt with Capital Construction's account since day one, for the past three years. Capital Construction Inc. is one of my top accounts and a great company to do business with on a daily basis. The company and their staff are very well educated on the products used, continuing to reinforce their knowledge by attending various seminars that we at ABC Supply hold with our vendors. I feel that the friendliness and knowledgeable staff of Capital Construction can be a great asset to your business venture. I would highly recommend Capital Construction for any of your new construction or renovation needs.

Sincerely,

Brian D Foster
